

## MEDIA RELEASE

### **'Social Distancing Style' Charity Golf Tournament**

***Funds raised will benefit Organ Transplant Patients***

*June 16, 2020*

**Sturgeon County, AB:** The 2nd Chance Trail Ride Society will hold its annual Charity Golf Tournament on August 15, 2020 at Fort in View Golf course. However, this year, guests will golf **'social distancing style.'**

Social distancing style golf includes staggered tee times starting at 11 a.m, individual power carts, online registration, golf passports and an outdoor award ceremony. At this time, a maximum of 104 golfers can register and the event is anticipated to sell out fast.

In an effort to practice social distancing, golf registration and sponsorship opportunities can be purchased at **2ndctr.com**. Golf passports are encouraged and available for purchase online. The passports include tickets for mulligans, putting contests and prize draws.

The 2nd Chance Trail Ride Society operates on donations and aims to continue to raise funds to meet financial obligations to maintain the six furnished apartments together with GoodHearts Foundation. The apartments provide temporary lodging for transplant patients and their families so they can live as comfortably as possible during the recovery process. The 2nd Chance Trail Ride Society supports approximately 40 patients per year with lodging and additional medical related expenses.

#### **About 2nd Chance Trail Ride Society**

Elk Point resident and double-lung transplant recipient Morris Irvine helped create the 2nd Chance Trail Society, a registered non-profit organization whose mission is to increase organ donation awareness and to provide support for patients and families affected by organ donation and transplantation.

After Morris recovered from his transplant, in 2011, he felt called to find a way to give back to people going through the organ transplant process. He met with other like-minded gentlemen and with the help of family and friends, they established the annual trail ride and years later, the annual golf tournament.

Mr. Morris Irvine is the 2019 recipient of the Logan Boulet Humanitarian of the Year Award.
